INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §1.56, the materials listed on the attached form PTO-1449 are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application.

This information is being submitted subsequent to the later of three months after the filing date of the present application or the mailing of the first Office action on the merits, but before the mailing of a final action or the notice of allowance. Accordingly, the undersigned hereby certifies under 37 C.F.R. § 1.97(e) that each item of information contained in this statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

A copy of each non-U.S. patent or patent application publication is enclosed. Accompanying

each JP10333585 is an English-language translation of the abstract. Accompanying JP6322756 is a partial translation of the disclosure and copies of the pages translated with marks indicating the translated portions. The translation(s) are not verified. In addition, a copy of the foreign office action in which the reference(s) were cited is enclosed.

Some documents submitted herewith may have markings on thereon. No significance is meant to be attached to the markings.

The filing of this information disclosure statement shall not be construed to be a representation that a search has been conducted, nor shall it be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

It is respectfully requested that the Examiner return a copy of the attached form PTO-1449 with initials or other appropriate marks indicating consideration of the cited materials.

Please charge any required additional fee or underpayment of fee to deposit account No. 502447.

Certificate of Mailing or Transmission

I hereby certify that this correspondence is being deposited with the United States Postal service with sufficient postage as first class mail in an envelope addressed to Commissioner for Patents, P.O.
